Dear Sir

I have enclosed to you the application of Mrs. Morse, the late widow of Joseph Winter a Revolutionary Pensioner, deceased. She being aged could not recollect much of any thing about the Officers he served under therefore I made no statement respecting them. Concluding you would have recourse to his papers and the evidence on file in the war department, where I presume you will find sufficient to establish her claim. I wrote you about three weeks since, in answer to yours of 12 ult. ~~in~~ which you proposed to purchase the two certificates for land that are in my hands. I asked you for the price you would pay, but have not rec'd your answer. I am ready to sell one or both at a fair price, will you make me an offer.

Very Respectfully

your Mst Ast

I Joseph Winte a resident citizen of the United States of America, of an unincorporated plantation called Numbre four in the county of Oxford, and Commonwealth of Massachusetts, do testify and say that in the year seventeen hundred and eighty one and in the month of June or July I enlisted into the army of the United States of America on the continental establishment, as a fife in the company commanded by Captain Christopher Marshall in the tenth Massachusetts Regiment whereof Col. Lupper was the commander, in which company I served during the term of two years and four months, when I received an honorable discharge since lost by accident. The company in which I served, belonged to the tenth Massachusetts Regiment the most of my time of service but was transferred into the first Massachusetts Regiment, under Colonel Joseph Vose about seven months before my time of service expired. And I further testify, that by reason of my reduced circumstances, I stand in need of assistance from my country for support
